Q1	Discuss how two store with similar type of merchandising can cater to two different target segment. Enumerate what is the basis of their retail value proposition which will give them competitive advantage by taking suitable example	25
Q2	Assume that you are consultant getting into opening of a lifestyle bookstore which is large, spacious, well laid out store, with bright cheerful interiors that would encourage book readers to stay and browse and a place of pleasurable experience. Keeping into account the target market discuss appropriate trade area parameters for the given retailer and discuss appropriate pricing strategies for the retailer	25
Q3	Sabshak links over 55,000 craft based rural producers to modern urban markets, thereby creating a base for skilled, sustainable rural employment, and preserving India's traditional handicrafts in the process. Its products are natural, craft based, contemporary, and affordable. It is deciding to launch its concept store and mark itself as experiential retail player rather than just an apparel and home décor retailer in metros and semi metros. This would see the company opening stores as experience centres where customers get to not only shop its range of apparel and home décor, but also get customized offerings, and also dine at its Café. Discuss the parameters that will be effective in designing the stores. Also discuss the all the convergent promotion strategies	25

Q4	a. Explain with suitable example supply chain parameters in retail b. Category Roles and Strategies for furniture retailer	25
